

Athelas:

Rem fought although he knew it was futile. The Horde had come to their village. They would slaughter everyone. Mutilate their bodies. Destroy their dwellings.

The Horde would not leave until there was nothing but mud piles strewn with pieces of his people.

Baskerville:

Rem fought although he knew it was futile. The Horde had come to their village. They would slaughter everyone. Mutilate their bodies. Destroy their dwellings.

The Horde would not leave until there was nothing but mud piles strewn with pieces of his people.

Book Antiqua:

Rem fought although he knew it was futile. The Horde had come to their village. They would slaughter everyone. Mutilate their bodies. Destroy their dwellings.

The Horde would not leave until there was nothing but mud piles strewn with pieces of his people.

Cochin:

Rem fought although he knew it was futile. The Horde had come to their village. They would slaughter everyone. Mutilate their bodies. Destroy their dwellings.

The Horde would not leave until there was nothing but mud piles strewn with pieces of his people.

Didot:

Rem fought although he knew it was futile. The Horde had come to their village. They would slaughter everyone. Mutilate their bodies. Destroy their dwellings.

The Horde would not leave until there was nothing but mud piles strewn with pieces of his people.

Garamond:

Rem fought although he knew it was futile. The Horde had come to their village. They would slaughter everyone. Mutilate their bodies. Destroy their dwellings.

The Horde would not leave until there was nothing but mud piles strewn with pieces of his people.

Marion:

Rem fought although he knew it was futile. The Horde had come to their village. They would slaughter everyone. Mutilate their bodies. Destroy their dwellings.

The Horde would not leave until there was nothing but mud piles strewn with pieces of his people.

Palatino:

Rem fought although he knew it was futile. The Horde had come to their village. They would slaughter everyone. Mutilate their bodies. Destroy their dwellings.

The Horde would not leave until there was nothing but mud piles strewn with pieces of his people.
